REMARKS/ARGUMENTS

In the *Ex parte Quayle* office action dated August 10, 2006, claims 1-3 were objected to for failing to show the markings of underlining for the matter added to the original patented claims. Claims 1-3 have been amended in accordance with this requirement to be the same as the amendment filed August 31, 2005 as suggested in the office action.

The examiner is authorized to make formality amendments to the claims by way of an examiner's amendment. Otherwise, the applicant respectfully requests a telephonic interview in case there are any outstanding issues to formality.

Respectfully submitted,
